

Student Research Program Agreement 2008-2009

Before your award is official, you must agree to the requirements to earn course credit and monetary compensation for participation in the Student Research Program. In order to continue in this program, you must sign and return this form to the Office of Research, Room G-306, by **May 30, 2008**.

Disbursement of funds will not be authorized until this agreement is signed and returned to the Office of Research.

1. Pre-Research Period (April - May)

During this period, you are expected to:

- have regular planning meetings with your mentor or his/her designee,
- attain all required IRB and UCUCA approvals before beginning research,
- complete any forms required by the Office of Research,
- attend the Student Research Program orientation.

2. Research Period (June – August)

During this period, you are expected to:

- actively participate in research on site at the School of Dentistry,
- attend lab meetings and other events as requested by your mentor,
- attend the Student Research Program Seminar Series,
- complete a Mid July Progress Report in conjunction with your mentor. This form must be returned to the Office of Research by July 15, 2008 to receive the August stipend disbursement.

3. Post-Research Period (September – March)

During this period, you are expected to:

- complete any paperwork required by the Office of Research,
- present a poster at Research Day on February 10, 2009,
- submit the Final Progress Report and Program Evaluation,
- submit a formal research report to the Office of Research by March 31, 2009.

Students receiving AADR awards are also required to present at an AADR/IADR meeting within two years of completion of their project.

I agree to complete the above requirements of the Student Research Program.
