

## STUDENT RESEARCH PROGRAM 2008-09 FACT SHEET

*Welcome to the University of Michigan School of Dentistry Student Research Program!*

*This Fact Sheet contains important information on the Student Research Program. Please read carefully as you will be expected to comply with all requirements and deadlines.*

### **FINANCIAL SUPPORT**

*Stipend:* All students admitted to the Program (AADR Fellows, NIDCR Fellows, School Fellows) will receive a total stipend of \$5,193, paid in three installments. Funds will be disbursed according to the following schedule:

June 9, 2008:	\$1,731.00
July 7, 2008:	\$1,731.00
August 11, 2007:	\$1,731.00

**Checks will be mailed to your local address listed in Wolverine Access, unless you are already set up with direct deposit. It is your responsibility to make sure that the address listed for you in Wolverine Access is correct and current.**

*Research Supply Accounts:* Each student will have a supply account of \$500 that can be used to purchase any materials needed for their project. All purchases will be authorized by and made through the Office of Research.

Students may place orders by submitting an SRP Order Form to the Office of Research. Be aware that purchases may only be made between June 1, 2008 and March 31, 2009. Money spent for research outside this time period **CANNOT** be reimbursed. **This allowance is NOT to be used for travel and hosting expenses (including registration fees).**

### **ENROLLMENT IN DENTAL STUDENT RESEARCH ELECTIVE**

All students participating in the SRP will be automatically enrolled in the course “*Dental Student Research 2: Research and Presentation.*” You will receive credit for this course after successfully completing all SRP requirements at the end of the Winter 2008 term. A Pass/Fail grade will be assigned by your mentor in consultation with the director of the program. **To receive a Pass grade, you must complete ALL Program requirements.** These four credits are in addition to the one credit received for applying to the Program.

### **PROGRAM REQUIREMENTS**

*Pre-Research Period (April - May)*

During this period, you are expected to:

- have regular planning meetings with your mentor or his/her designee,
- attain all required IRB and UCUCA approvals **before** beginning research,
- complete any forms required by the Office of Research,
- attend the Student Research Program orientation.
