In celebration of National Prosthodontics Awareness Week, faculty and residents in the graduate prosthodontic program invite all University of Michigan dental students to join us for pizza and discussion of exciting new trends in prosthodontics.

**Tuesday, March 9, 2010 at Noon in Room G322**

*(Pizza and pop will be provided.)*

Dr. Thomas Bloem, Region 3 Director of the American College of Prosthodontics and a Dean’s faculty member here at U of M, will be present to introduce NPAW and discuss specialty practice and other prosthodontic career opportunities.

Prosthodontic residents will also be present to demonstrate patient treatment from their graduate training.

Join us to learn more about the bright future of Prosthodontics!
