ADE graduate program in endodontics curriculum

**First Term (Summer)**
Endo. 651 Preclinical Graduate Endodontics

**Second Term (Fall)**
Dent. Ed. 606 Mineralised Tissues
Dent. Ed 610 Research Methods in Graduate Oral health Sciences
Dent Ed 613 Anatomy of the Head and Neck
Pros 650 Advanced Case Selection and Treatment Planning
Endo. 652 Clinical Endodontics
Endo. 653 Biological Basis for Endodontics [odd-even years]
Endo 654 Biological Basis for Endodontics [even to odd years]
Endo. 655 Research leading to Certificate and Degree
Endo 658 3D Imaging
Endo. 659 Current Literature Review in Endodontics.
Endo. 660 Case Presentation & Treatment Seminar

**Third Term (Winter)**
Dent. Ed. 602 Neural Basis of Oral Facial Pain and Function
Dent. Ed 612 Molecular Biology in Clinical Dentistry
Pros 650 Advanced Case Selection and Treatment Planning
Endo. 652 Clinical Endodontics
Endo. 653 Biological Basis for Endodontics [odd-even years]
Endo 654 Biological Basis for Endodontics [even to odd years]
Endo. 655 Research leading to Certificate and Degree
Endo. 656 Biology of the Dental Pulp for the Endodontist
Endo. 657 Endodontic Surgery
Endo 658 3D Imaging
Endo. 659 Current Literature Review in Endodontics.
Endo. 660 Case Presentation and Treatment Planning Seminar

**Fourth Term (Spring/Summer)**
Endo. 652 Clinical Endodontics
Endo. 653 Biological Basis for Endodontics [odd-even years]
Endo 654 Biological Basis for Endodontics [even to odd years]
Endo. 655 Research leading to Certificate and Degree
Endo 658 3D Imaging
Endo. 659 Current Literature Review in Endodontics.
Endo. 660 Case Presentation and Treatment Planning Seminar

**Fifth Term (Fall)**
Dent Ed. 614 Clinical Oral and Maxillofacial Pathology
Endo. 652 Clinical Endodontics
Endo. 653 Biological Basis for Endodontics [odd-even years]
Endo 654 Biological Basis for Endodontics [even to odd years]
Endo. 655 Research leading to Certificate and Degree
Endo 658 3D Imaging
Endo. 659 Current Literature Review in Endodontics
Endo. 660 Case Presentation and Treatment Planning Seminar
Endo. 661 Pharmacology and Medicine in Clinical Endodontics
Sixth Term (Winter)
Endo. 652  Clinical Endodontics
Endo. 653  Biological Basis for Endodontics [odd-even years]
Endo 654  Biological Basis for Endodontics [even to odd years]
Endo. 655  Research leading to Certificate and Degree
Endo 658  3D Imaging
Endo. 659  Current Literature Review in Endodontics.
Endo. 660  Case Presentation and Treatment Planning Seminar
Endo. 661  Pharmacology and Medicine in Clinical Endodontics

Seventh Term (Spring/Summer)
Endo. 652  Clinical Endodontics
Endo. 653  Biological Basis for Endodontics [odd-even years]
Endo 654  Biological Basis for Endodontics [even to odd years]
Endo. 655  Research leading to Certificate and Degree
Endo 658  3D Imaging
Endo. 659  Current Literature Review in Endodontics.
Endo. 660  Case Presentation and Treatment Planning Seminar

Eighth Term (Fall)
Endo. 652  Clinical Endodontics
Endo. 655  Research leading to Certificate and Degree
Endo 658  3D Imaging
Endo. 659  Current Literature Review in Endodontics
Endo. 660  Case Presentation and Treatment Planning Seminar

Ninth Term (Winter)
Endo. 652  Clinical Endodontics
Endo. 655  Research leading to Certificate and Degree
Endo 658  3D Imaging
Endo. 659  Current Literature Review in Endodontics.
Endo. 660  Case Presentation and Treatment Planning Seminar

Tenth Term (Spring)
Endo. 652  Clinical Endodontics
Endo. 655  Research leading to Certificate and Degree.
Endo 658  3D Imaging
Endo. 659  Current Literature Review in Endodontics
Endo. 660  Case Presentation and Treatment Planning Seminar
