| SEPTEMBER 12 | Kristi Anseth, PhD  
Tisone Professor  
Associate Professor of Surgery  
Chemical & Biological Engineering  
University of Colorado Boulder | Sponsored by: Tissue Engineering at Michigan                                    |
| OCTOBER 3  | Michael J. Gough, PhD  
Associate member, Integrated Therapies Laboratory  
Earle A. Chiles Research Institute  
Providence Cancer Institute | Sponsored by: Oral Health Sciences PhD Program                                |
| OCTOBER 17 | Clint T. Allen, MD  
Otolaryngology Surgeon  
PI, Translational Tumor Immunology Program  
National Institute of Deafness & Other Communication Disorders | Sponsored by: Victors for Clinical and Research Faculty Development |
| NOVEMBER 7 | Imad About, PhD  
Professor of Oral Biology  
Aix-Marseille University | Sponsored by: Cariology, Restorative Sciences, and Endodontics |
| NOVEMBER 21 | Gary Hammer, MD, PhD  
Mille Schembechler Professor of Adrenal Cancer, Molecular & Integrative Physiology/Internal Medicine  
Rogel Cancer Center, University of Michigan | Sponsored by: Oral Health Sciences PhD Program |
| OCTOBER 10 | Megan C. Frost, PhD  
Chair and Associate Professor of Kinesiology and Integrative Physiology  
Michigan Technological University | Sponsored by: Tissue Engineering at Michigan |
| OCTOBER 14 | Phil King, PhD  
Professor  
Department of Microbiology and Immunology, University of Michigan Medical School | Sponsored by: OHS |
| OCTOBER 24 | Preeti Malani, MD, MSJ  
Chief Health Officer, Professor of Medicine, Division of Infectious Diseases, University of Michigan | Sponsored by: Oral Health Sciences PhD Program |
| OCTOBER 31 | No Seminars | |
| NOVEMBER 21 | Noriaki Ono, DDS, PhD  
Assistant Professor, Orthodontics & Pediatric Dentistry  
University of Michigan School of Dentistry | Sponsored by: Oral Health Sciences PhD Program |
| NOVEMBER 14 | Megan C. Frost, PhD  
Chair and Associate Professor of Kinesiology and Integrative Physiology  
Michigan Technological University | Sponsored by: Tissue Engineering at Michigan |
| OCTOBER 10 | Megan C. Frost, PhD  
Chair and Associate Professor of Kinesiology and Integrative Physiology  
Michigan Technological University | Sponsored by: Tissue Engineering at Michigan |
| OCTOBER 3 | Michael J. Gough, PhD  
Associate member, Integrated Therapies Laboratory  
Earle A. Chiles Research Institute  
Providence Cancer Institute | Sponsored by: Oral Health Sciences PhD Program |
